

*Extra-Financial Analysis and advisory*

## COMPANY PRESENTATION

Established in 2004, EthiFinance is an extra-financial consulting and analysis agency that supports investors and companies in the management of risks and opportunities related to sustainable development. EthiFinance has become a European leader in the rating of small and medium-sized companies, both listed and unlisted.

## MISSIONS

Ensure a high level of expertise on environmental, social and governance (ESG) issues.

Provide quality information on the extra financial performance of companies to our investors.

Accompany issuers and investors in the strategy, management and monitoring of ESG performance.

Conduct consultancy services in line with the expectations of stakeholders, investors or companies.

## WHY EthiFinance ?

*Complete the service offer for customers.  
Recognized local player. A popular and trending topic.  
Development of a mutual offering.*
